Dear Dr. Humor,

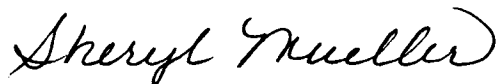

As president of our local Bankers Association, it was my responsibility to engage a speaker for our annual Employee's Night. Our employee's night is geared toward a fun social night away from work. I have to say, with you as our speaker we were highly successful with our mission.

Our lives were touched (or should I say tickled) by you that night and your message will stay with us forever. Thank you so much for making the evening an unforgettable night. We all laughed until we cried. I overheard the person next to me saying "He has to stop, I can't take this any longer!". She was continually wiping the tears from her eyes. Another colleague commented that in our business we can relate to occasionally sending a letter to a disgruntle customer, but the letter you received from the hotel about the roach was almost too much to handle. Again, we laughed until we cried.

The material you used was true to everyday life and all of us related to it, which makes it even funnier. You are a great presenter, one of the finest I have ever had the opportunity to hear. The message you leave with your audience is priceless; there are many benefits of humor in our lives.

Thank you again for one of the most entertaining and effective presentations we have ever experienced. We are all still smiling!

Sincerely,

Sheryl Mueller
Branch Manager
