To Whom It May Concern:

Dr. Stuart Robertshaw opened our school year with great laughter and insightful wisdom. The President and CEO of the National Association for the Humor Impaired excited our audience with his offbeat view of the world and his common sense wisdom. The audience rolled from one laugh line to the next and genuinely enjoyed the session.

The opening of school is always a new beginning. Stuart caused people to remember why they want to teach. He caused them to appreciate one another and to take themselves less seriously. Audience members said things like, "What a terrific idea!" "Stuart reminded us that humor does bind us all together", and "It was great to have our entire district's faculty laughing like that."

I am pleased with Dr. Robertshaw's presentation and am able to recommend him to other organizations.

Sincerely yours,

Gary M. Chesley, Ed.D.
Superintendent of Schools
