

Dr. Stuart Robertshaw, CEO
National Association for Humor Impaired
400 South 15th Street, Suite 201
LaCrosse, WI 54601

Dear Dr. Robertshaw:

Your message to the over 1,300 employees of the School District of Janesville has received phenomenal reviews.

Your highly energetic and charged delivery style combined with your, at times deep and at times light, presentation has been described as delightful, inspirational, encouraging, and great fun, and one person said, "I laughed so hard, I couldn't see straight.". Tears -- of joy and empathy were shed.

Staff members are still talking about your message of how humor heals and helps. Many positive results have come from Dr. Humor's time with our staff -- requests that you speak to other groups, a "fun committee" should be established at the central office, and on and on.

We laughed, we cried, and we learned.

Dr. Humor you have given us permission to become a healthier and more humorous staff, and our students will benefit.

With respect and admiration,

Thomas Evert
District Administrator
