RE: Dr. Humor (Dr. Stuart Robertshaw)

This letter of recommendation is written in response to a great opening session speaker at the Illinois Association for Collegiate Registrars and Admissions Officers (IACRAO) Conference held fall, 2001. Dr. Humor was fantastic! He had our entire group of admissions and registrar personnel "in stitches" for over an hour of fun and laughter. We even had a tornado warning, evacuated the room—and Dr. Humor just jumped on a chair and kept performing!

I highly recommend Dr. Humor to your organization if you want a truly humorous way to laugh at life and at yourself—and be entertained. Very funny, very enjoyable, and all around entertaining—what a great way to "open" or "close" a conference.

Sincerely,

Karen Helmers
President
